AUGUST 3, 2022
FOR IMMEDIATE RELEASE

Hawai'i County Electronic Processing and Information Center (EPIC) Online Permitting System
will be updated to better serve the community

The Hawai'i County Electronic Processing and Information Center (EPIC) Online Permitting system is tentatively scheduled to upload additional legacy permit information to improve services beginning Friday, August 19, 2022, at 12am to Monday, August 22, 2022, at 12pm. During this time, the EPIC system will not be able to accept any permit and plan applications and payments. More information will be provided as we draw closer to the tentatively scheduled date.

We appreciate your patience and apologize for this inconvenience.
