### **PHASE ONE OF WAIPI'O VALLEY ROAD SAFETY AND HAZARD MITIGATION COMPLETE**

Hawai'i County's Public Works Engineering Division announces the completion of rockfall mitigation work along Waipi'o Valley Road. The primary work covered 750 feet down the slope of the Waipi'o Valley Road.

The County is commencing Phase 2 engineering design and permitting activities to address embankment and road conditions for the next approximately 1,300 feet of Waipi'o Valley Road.

The Department would like to thank the community for their patience and understanding.
